

Call for Special Session Proposals

NASA/ESA Conference on Adaptive Hardware and Systems (AHS-2010)
Co-located with DAC-2010

June 15-18, 2010

Anaheim Convention Center
Anaheim, California, USA

<http://www.see.ed.ac.uk/ahs2010/>

Prospective organizers of special sessions should submit their proposals to the Program Chair (K.Benkrid@ed.ac.uk) with the following information included:

1. Special Session title and summary
2. Special Session chair's brief history
3. Name of potential authors (and contact information) for your session and the subject of their paper.
4. Contact details of the Special Session chair

If papers submitted or invited for the special session are not gone through conference peer-review, it is the duty of the Special Session chair to ensure the review of the submission for quality is in agreement with the Program chair.

Important deadlines:

Proposals due:	January 4, 2010
Notification of acceptance:	January 11, 2010
Author notification:	March 8, 2010
Camera ready manuscript deadline:	March 22, 2010
